Do you require any accommodations?

Please note we consider volunteers to be unpaid staff and therefore endeavour to give them the same considerations as our staff.

CCHC is committed to fulfilling its obligation to employees in accordance with the Ontario Human Rights Code, the Human Rights Act of Canada, and the Accessibility for Ontarians with Disabilities Act, 2005, and the Employment Standards Act of Ontario.

Central Community Health Centre is an equal opportunity employer. We believe diversity among our staff and volunteers enriches our organization and enhances service to our clients.

CCHC encourages a scent-free environment. Employees, students, volunteers, and visitors are asked to refrain from wearing fragrances and other scented personal care products (i.e., perfumes, deodorants, lotions, hairspray, etc.) while at the Centre.

COVID 19 is an ongoing concern. All staff, contractors, students and volunteers are required to be fully vaccinated against COVID-19 (which includes all recommended doses and boosters), subject to human rights exemptions. Before coming onsite, all individuals must complete a self assessment using the following link <https://covid-19.ontario.ca/screening/worker/> and email results to covid19@centralchc.com

All staff, contractors, students and volunteers are required to have a vulnerable sector police check and 2-step TB skin test. Once you have had an interview, assistance with these items can be provided.

Notice of Collection (NOC): Personal information contained on this form is collected pursuant of the Personal Health Information Protection Act, and will be used in responding to this application. Questions about this collection should be directed to the Central Community Health Centre Privacy Officer at the address below or telephone (519) 633-7989 ext. 404 or email privacy@centralchc.ca.
